JOIN TODAY!**

**Mississippi Congregational
Network of Nurses and Advocates
provides –**

- A visible expression of ministering to the whole person- body, mind and Spirit- the way God intends.
- Opportunities for congregation members to learn how to make healthy lifestyle decisions.
- Opportunities for congregation members to use their gifts, talents, and personal experiences to minister to others.
- Improved awareness and access to shared church and community resources.

**MISSISSIPPI
CONGREGATIONAL NETWORK
of NURSES and ADVOCATES, LLC**

We foster and support congregational health nurses and ministries in Mississippi through education, collaboration with other like organizations, and research opportunities with local and national organizations.

For we are God's handiwork created in Christ Jesus to do good works, which God prepared in advance for us to do.

Ephesians 2:10 NIV

**Mississippi Congregational
Network of Nurses and Advocates
work in the community as**

Integrator of Faith & Health

... to promote an understanding of the relationship between faith, lifestyle, and health.

Health Educator

... to identify the health needs of a congregation and plan educational health programs.

... to utilize resources from the church community-at-large to present educational health programs.

Personal Health Counselor

... to discuss health-related issues, to listen and support church members during times of concern.

Support Groups Developer

... to develop support groups to meet the needs of church members

Referral Agent

... to link the congregation to community resources and services.

Health Advocate

... to assist the client in obtaining what they are entitled to from the health care system.

Volunteer Coordinator

... to recruit and develop volunteers.
